Certificate for Coaching Supervisors

ILM Level 7 Qualification

The Level 7 Qualification is for professional coaches to equip them with the supervisory knowledge and skills needed to practice as confident and competent coaching supervisors. They are also ideal for those seeking to enhance and accredit their expertise in internal or external supervision with a nationally recognised qualification. .

The programme is tailored to meet your individual requirements and is supported by your own tutored coaching to ensure learning is transferred into your own high performance.

Here we have teamed up with the Institute of Leadership & Management (ILM), a City & Guilds Group, who provide internationally recognised qualifications that map against University qualifications. This Certificate for Coaching Supervisors has academic rigour throughout its assessment process so you can be assured wherever you go it will be acknowledged.

AND... we deliver this Qualification in a friendly and accessible manner providing personal 1-1 support over a pro-longed period to enable anyone (even with no prior knowledge) to feel comfortable in knowing you will be guided and supported to its achievement.

Benefits for individuals

- Understand the purpose and ethical principles of effective coaching supervision of coaches
- Be able to critically compare different approaches for the effective coaching supervision of coaches
- Develop an understanding of the anticipated outcomes of effective coaching supervision for different stakeholders
- Plan, deliver and review own effective coaching supervision of coaches
- Be able to plan own future professional development activities as a coaching supervisor of coaches

Benefits for employers

- Coaching supervision is a key process for organisations providing in-house coaching
- Develop coaches who are able to use the feedback from supervisory sessions to plan their own and others' professional development
- Ensures coaches are properly equipped with the skills, knowledge and understanding they require
- Meet clients' supervision needs through effective assessment and relationship building

The Programme Structure:

To achieve the Level 7 Certificate for Coaching Supervisors the learner must achieve three mandatory units.

8590-700	Understanding the Principles and Practice of Effective Coaching Supervision of Coaches
8590-701	Undertaking Effective Coaching Supervision of Coaches
8590-703	Reflecting on Your Ability to Perform Effectively as a Coaching Supervisor of Coaches

Total Qualification Time (TQT) is a notional 200 hours which represents an estimate of the total amount of time that could reasonably be expected for a learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification.

TQT is comprised of the following:

Guided Learning along with preparation, implementation and reflection capture of supervision coaching in order to demonstrate occupational competence.

Personal Summits Ltd additionally provides Coaches with:

- **An Individual Diagnostic** to assess your strengths, pinpoint exactly where you need skill building as well as creating a baseline for measuring forward progress
- Access to business development tools **endorsed by the Institute of Leadership and Management** that you can deliver to your internal clients:- strategic planning tools, practical techniques, checklists and forms to help the client develop their business.
- You get your own Business Development Supervisor Coach during the course to help you **quickly grow** and steer you successfully to completion.
- Training on the materials with constant support on **developing your style** of delivering them through coaching techniques
